Building Group To Meet With Board Here December 13

Committee Will Scan Sites In Area For County Building

Members of the Nevada County Board of Supervisors and the Nevada County Citizens Building Committee, headed by Stan Halls of Grass Valley, will hold a joint meeting at Smart's at noon Friday, December 13, to further discuss the building of a county building in the Truckee area.

An informal inspection of a number of suggested sites for the proposed building will be visited by the group and anyone desiring to attend the meeting to offer suggestions is welcome, Halls said. The committee has two or three possible sites under consideration.

It is proposed, Halls declared, to permit private capital to construct the building and the county eventually gain ownership through a lease-payment arrangement. This method of financing, it was pointed out would not prove a hardship upon the county and would not result in increased taxes.

The building would be used to house various county and state branch offices, such as the justice court, sheriff's office and jail, department of welfare, employment, etc. The possibility that some private rentals would be permitted was discussed but discouraged by the committee.

The committee met with the board Monday to report on its activities and among other things proposed that the county secure property on Pine street across from the courthouse for possible future expansion and to provide for current needed parking space. The land value was said to be $15,500. The board approved the purchase and authorized the district attorney to draw up the necessary legal documents.

At the same time, the committee recommended, and the board accepted a proposal to move the county school department offices from the second floor of the courthouse to quarters to be leased on the bottom floor of the Masonic Hall in Nevada City. This move, it was pointed out, would permit more adequate quarters for the school officials and at the same time allow for more room for the welfare department which will occupy the space being vacated by the school people.

Members of the building committee who are expected to attend the meeting here a week from tomorrow are Halls, C. Z. Smith of Truckee, Dale Smith and Howard Bennetts.

Supervisor Chairman H. G. Loehr said he expects all members of the board to attend, with the possible exception of Guy Robinson, who has been ill.

Truckee Man's Father Fetes 95th Birthdate

Mr. and Mrs. Alvah Hooper have returned home after attending a party given in Oakland last Friday for the former's father, John T. Hooper, who was 95 on November 29.

The elder Hooper, a native of England, came to California at the age of six years, crossing the Isthmus of Panama by muleback. The family settled in Grass Valley nearly 90 years ago.

Orientation Course For Girl Scout Leaders Set

Miss Grace Donehower, executive director of the Sierra Nevada Girl Scout Council, will conduct a four-hour orientation course for adult volunteers in this area on Thursday, December 12 from 1 to 5 p.m. in the Girl Scout meeting room at the American Legion Hall in Truckee.

All adults presently registered in the Girl Scout program as leaders or committee members, those interested in becoming leaders or committee members, and those interested in learning more about the Girl Scout program and its future in Truckee are urged to attend.

Christmas Party Plan Made By State Group

The Donner Chapter of the California State Employees Association will hold a dinner meeting Thursday night, December 5, to make plans for a Christmas party.

The meeting will be at Donner Summit Lodge. Dinner will be served at 7:30 p.m. Major Millar, USAF, from the survival training unit at Stead Air Base, Reno, will be the guest speaker.

LIONS MEET

Monte Atwater, avalanche expert at Squaw Valley spoke on progress for the 1960 Olympics at the meeting of the Lions Club last night at Donner Lake Lodge. Visitors included Judge Vernon Stoll and County Clerk John T. Trauner of Nevada City and Dr. Robert Affeldt of Truckee. Dr. BenKing presided and named Zeph Rose, Bill Englehart, Jr., and Dave Morey to have charge of the Christmas party to be held at Smart's on December 21.

Engleharts Observe 50th Wedding Date With Friends Here

In the same house in which they took their vows, and in the company of a score of close friends and family members, Mr. and Mrs. William M. Englehart Wednesday night observed their Golden Wedding anniversary with a dinner topped off with a beautiful, three-tier cake, artistically decorated for the occasion.

On December 4, 1907, Miss Stell Franzini, a native of Virginia City, Nevada, and daughter of the late Mr. and Mrs. P. Franzini, pioneer Truckee residents, was married to William Englehart, a member of another pioneer family. Officiating was Dr. George L. Kelley, now a practicing dentist in San Francisco, who sent his regrets at being unable to attend because of illness in his family.

With the exception of a short period spent in Watsonville, the Engleharts have continued to make Truckee their home and for many years have engaged in the beverage bottling business in which industry they are still active with their only child, William, Jr. The latter and his family assisted in the arrangements for the celebration last night.

Both Mr. and Mrs. Englehart have been consistently active in community and fraternal affairs and have well earned the high esteem in which they are held by their legion of friends.

Among the out of town guests at the reception last night were Mr. and Mrs. Ed Lowell and Mr. and Mrs. Al Fippin of Sacramento and Mrs. V. C. Shattuck of San Jose.

Following the enjoyable dinner, cards were played and the honorees were presented with a gift and were the recipients of best wishes from friends far and near.

Talent Search At School December 9

Preliminary examinations in connection with the 17th annual Science Talent Search will be held Monday, December 9, at Tahoe-Truckee High School under the supervision of Donald M. Trask.

Students taking the science aptitude test will be Dean Beyer, Soda Springs; Barry Graton, Kings Beach; Dennis Schlumpf, Tahoe Pines; Jerry Thompkins, Kings Beach.

The Science Talent Search for the Westinghouse Science scholarships and awards is conducted annually by Science Clubs of America, administered by Science Service. The purpose of the search is to discover and foster the education of boys and girls with skill, talent, and creative originality in science.

Forty boys and girls who lead in the preliminary examinations will be given all-expenses-paid trips to Washington to attend the Science Talent Institute for five days early next spring and to be judged for the scholarships and awards. Five of the winners will receive Westinghouse science scholarships ranging from $7500 to $3000 and the remaining 35 winners will be given awards of $250. Honorable mention will be awarded to another 260 seniors.

As part of the preliminary examinations, each contestant must submit a report of about 1000 words on the subject "My Scientific Project."

TRUCKEE MAN HELD ON THEFT CHARGES

Louis Euer, well known local man, was slated to be arraigned in the Truckee Judicial District Court today on a charge of grand theft, growing out of the alleged theft of a number of articles from the Felix Smith home at Frog Lake.

Euer was taken into custody last Wednesday night after Smith filed a complaint in the local court. He was arrested by Sheriff Wayne Brown, and Deputies Frank Gallino, Emery Lander and John Goth. He was released under $2500 bail.

Smith charged that Euer stole a number of items including an electric generating plant, blankets, a table, pots and pans and various other articles, many of which, according to the officers, were found in the Euer cabins at Euer Valley.

Euer told the officers that he had been given permission to use the generating plant, but could not immediately account for the fact that the blankets and other things, reported stolen, had been found in his cabins.

Hale Seeks Funds To Meet Rising Cost Of Olympics

$3,400,000 Is Asked From Federal Government For Games

Speaking before the United States Olympic Association in Washington, D.C., Monday night, Prentice C. Hale, president of the 1960 Winter Olympics Organizing Committee for Squaw Valley, said federal funds totaling $3,400,000 are needed to meet growing expenses of the project.

The federal appropriation, if obtained, would bring the cost of providing the games to $11,390,000, the State of California already having granted $7,990,000.

"Delays in land acquisition, inflation and unforeseen cost factors involved in a pioneering project of this kind," he said, "have made it plain that the state's $7,90,000 appropriation will not be adequate to stage the games in a manner reflecting the greatest possible credit upon the nation," Hale declared.

The State of California and Wayne Poulsen, principal land owner in Squaw Valley, have been in controversy more than a year over parcels of Poulsen land which the state says it needs for the games. The issue is in court.

Claims Support

Hale reported "enthusiastic reception" in Washington for federal sponsorship and financing of the ice arena.

He said 22 members of California's 30 man congressional delegation as well as Senators William F. Knowland and Thomas H. Kuchel have said they will support an appropriation request. The other eight representatives have not yet been contacted.

Plans For TV

The organizing committee president said plans are being made to televise the games to potential audiences of 40,000,000 people in Europe and 140,000,000 in the United States.

1200 Athletes

Approximately 1200 athletes from 35 nations are expected to compete during the 11 days of competition and draw an estimated 300,000 spectators.

Facilities are being provided for 600 press, TV and radio correspondents to cover the events.

Hale said tickets for the Olympics are expected to go on sale next fall.

DINNER, BAZAAR BY PTA ON DECEMBER 7

KINGS BEACH — The Kings Beach Teachers and Parents Association will have a ham dinner and bazaar Saturday, December 7, starting at 6:30 p.m. in the new multi-purpose room at the school. Adults, $1.50, children through the sixth grade, $1 and pre-school children are free of charge. The P.T.A. will have a food and handiwork booth. The Cub Scouts, Brownies and Girl Scouts will also have booths, all work which they have done themselves.

Bernice Franklin, president.

Books Club To Meet

A discussion of Rosseau's on the Origin of Inequality will bring 1957 to a close for the Great Books Discussion Group. The meeting will be held in the high school library in Truckee beginning at 8 p.m. Orders may be placed at this time for the third year set of readings that will begin soon.

VFW POST TO HOST DISTRICT 3 MEETING

KINGS BEACH—Post No. 7707, V.F.W. and its auxiliary will be hosts for District No. 3 meeting to be held at Crystal Bay Club on Sunday, December 8 at 2 p.m.

Buffet will be served by auxiliary members following the meeting Mrs. Pearle Koltes was appointed as hostess chairman and Wanda Brooks, Unadel Crawford, Nola Denny, Joan Mally, Peggy Nelson, Verna Wood, Betty Baxter, were appointed co-hostesses.

Post and auxiliary members are requested to attend this meeting.

SWAP NIGHT FRIDAY

The annual Swap Night of the Lake Tahoe-Squaw Valley Ski Club will be held December 6 at 8 p.m. in the Community Hall at Tahoe City.

Lieut. Howard Snider has been transferred from Texas to a student officers company at Oklahoma.

SUNBEAMS

By WALTER M. BARRETT

This week's Sierra Sun is filled with Christmas gift suggestions from your local merchants, who are making a bid for your patronage with honest merchandising. We know you will find the very thing you want in one of the local stores at a price you can't beat by shopping at some distant point or through a catalog. Why wear yourself out driving through traffic, looking for a place to park, only to be treated in an unfriendly manner by a tired clerk, who would just as soon you didn't come in? This year make it a "Trade at Home" Christmas and enjoy the satisfaction of dealing with a neighbor and getting satisfaction guaranteed. Scan the ads in the Sierra Sun to get an idea for your shopping list and then follow through by patronizing the people who make your community a good place to live.

Open House Held By Phone Company

There is no end of intricate wiring, switches, dials, batteries and what-nots to keep Truckee talking on the telephones.

This was demonstrated Tuesday when the Pacific Telephone Company held open house at its new dial station with Manager George Selkirk on hand to greet the visitors and with Switchmen Robert Riggs and George Hallifax to explain the maze of equipment inside the station and Installer Ray Bradley showing the details of the installing apparatus.

The new local plant, costing more than $151,000 was shown scores of school children as well as interested adults all day Tuesday. How the little mechanical lifts and fingers select numbers dialed may always remain a secret to those who witnessed the demonstration, but the accuracy does point up the fact that mistakes and wrong numbers are the fault of the customer as long as the mechanics operate.

On display, too, were the nine new colored telephone sets, suggested by Manager Selkirk as ideal Christmas gifts. Several new colors have been added during recent weeks and the selection is complete for both wall and desk type.

A similar open house will be held at Tahoe City today.

Fun Ends When Boys Forced To Pump Up Deflated Vehicle Tires

Two boys, 11 and 14, learned that it may be fun to let air out of tires of parked vehicles, but they also learned—the hard way—that such mischief does not pay.

The two were apprehended by Deputy Sheriff Emery Lander in the alley back of main street and readily admitted their guilt. After consultation with their parents, the deputy procured an old fashioned tire pump and the two youngsters were put to work.

It took them from 7 to 10:30 p.m., working as fast as they could in the cold weather to pump up the eight deflated tires and when it was over they vowed never again to find their fun in such a way.

The boys were honest, however, and called the officer's attention to one car which he had overlooked and repaired the damage there, before calling it a day.

Mrs. Sam Goss Enjoys Dinner Despite Illness

TAHOE CITY—Mr. and Mrs. Sam Goss of Tahoe City were presented with a full course turkey dinner sponsored by the Women's Club of Lake Tahoe. Mrs. Goss is recovering slowly from a stroke which came upon her unexpectedly.

She sends her best regards to all concerned, and is greatful to the Women's Club for their presentation.

With Parents—

Mr. and Mrs. Bernard White and daughter, Marilee of Sacramento were guests of Mr. and Mrs. C. B. White during the holiday weekend.

New Quarantine Station Will Cost Quarter Million

Freeway Structure Will Be Erected Near State Highway 89

Preliminary estimates for the new checking station just west of Truckee as given by the state department of agriculture indicate it will cost approximately $250,000, the Capitol News Service at Sacramento advised the Sierra Sun today.

The funds for the building are not as yet available, but a request for the structure will be included in the 1958-59 budget, which will be voted on by the legislature next March.

However, the department does not expect any opposition to granting the funds, as the structure will be part of the new freeway, and they expect to start construction immediately after July 1, 1958, when the plans will have been completed and the money available. To date, only preliminary plans have been drawn up by the division of architecture.

The department says the building will be of the toll gate type with a flat roof, somewhat similar to the toll gate at S.F.-Oakland Bay ridge. It will have five driveways, with two cars in each driveway and will be so constructed that it can be expanded in the future if necessary.

The structure will be located slightly south and west of the present structure over the freeways lanes pointing west. In addition to the driveways, there will be an office, a workroom for examinations, utilities room and restrooms for the help and the public.

The present station is expected to remain to handle traffic going west over the current route.

MUSIC GROUPS OF SCHOOL PLAN FETE

The music and drama departments of Tahoe-Truckee High School will present two Christmas programs in Truckee on December the 9th and 19th, according to Ross Price director of music at the high school.

The first program will be held at the Truckee elementary school on December 9. A brass choir will play appropriate Christmas carols and a special arrangement of a Christmas chorale by J. S. Bach for the elementary student body in the afternoon.

A repeat performance will be held in the evening at 8 p.m. for P.T.A. of the elementary school.

Members of the choir are as follows: Larry Rolison, Stane Stock, Doug Forrester, Dou Ball, Randy Schultz and Dennis Richert. The group will perform under the direction of Price.

The second event will be the annual Tahoe-Truckee High School Christmas program. This will be held at 8 p.m. in the high school gymnasium on the evening of Thursday, December 19.

Admission is free to the public.

CHAMBER OFFICERS TO BE NAMED DEC. 18

Rex Reid, president of the Truckee Chamber of Commerce today announced that the annual nomination and election of officers for 1958 will he held during a luncheon meeting at Smart's Wednesday, December 18 at 12 noon.

Because of the volume of important business facing the chamber during the coming year, Reid is urging a big turnout of members.

Chamber officials today were scheduled to meet with the board of directors of the Truckee Public Utility District to ask the latter to again sponsor the Christmas street lighting program and provide prizes for the proposed outdoor decoration contest. Reid will head the committee.

Recovering

Mrs. Richard Box of Oroville wrote this week that she is recovering from a recent automobile accident in which she received numerous injuries and shock and her car was a total loss.

She hopes to visit friends here later in the season but in the meantime will keep in touch with happenings of the area by way of the Sierra Sun.

Mr. and Mrs. Edward Butler left today for Pearblossom, Calif., expecting to return here early next spring.

Rainbow Girls To Present Fashions Here December 8

The Hope Assembly L.T. of Truckee, Order of Rainbow for Girls, will present a fashion show, proceeded by a luncheon Sunday, December 8 at 1:30 p.m. at the Masonic Temple. The theme for the afternoon will be "Winter Wonderland."

Clothes to be modeled will be from Cabona's and Besio's of Truckee, The Wedding Shop, The Wonder Shop, Lerners and Gray Reids of Reno, Porters and the North Shore Hardware of Lake Tahoe.

The selection of clothes will consist of formals, party dresses, ski apparel, school clothes and sport wear.

The models will be Joan Brown, Nona Rae Coffey, Judy Collins, Steffi and Vicki Firpo, Varien Frey, Tina Grundeman, Joyce Hallet, Penny Hulbert, Claralene Kaiser, Barbara Nelson, Janice Notley, Ellen Rich, Louisa Scuitto, Joyce Slate, Sharon Wright, Miss Barbara Kemp and Mrs. Mae Critchley.

The Rainbow Girls are working hard to make this an outstanding event. Reservations should be made by December 5 by contacting Janice Gray, worthy advisor, Box 134, Truckee or by calling Janice Notley, Luther 7-3669, Truckee, Miss Barbara Kemp, Juniper 3-3280. Tahoe City, or Katy Corbin, Liberty 6-2640, Kings Beach. Tickets may also be purchased at the door.

A cordial invitation is extended to the public to attend the luncheon and fashion show.

Basketball Team To South Tahoe

by JOHN FIRPO

The 57-58 basketball season will officially open tomorrow at South Tahoe for the Tahoe-Truckee Wolverines. The Wolverines will take a 12-man squad consisting of five me nat 6 feet.

The 57-58 squad includes Seniors Ken Vaughan, Berger Nelson, Dean Holbrook, Floyd Cooper, L. J. Robinson, Ken Osburn, Richard Decker, and Chuck Bailey. Juniors Craig Robinson, Gary Holbrook, Dennis Rickert, and Rex Donaldson.

The Wolverines, after traveling to South Tahoe, tomorrow will return home for a game Saturday against the Loyalton Gribblies. Game time is set for 8 p.m.

The JV team, on the other hand, will carry their 16-man squad to South Tahoe under new coach, Guy Wilson. The "Cubs" squad this year contains Bob Merica, Gary Hulbert, Marty Kumle, Woody Ribal, Richard Brown, Bob Williams, Jim Loynd, John Firpo, Bill Notley, Chuck Bergman, Leroy Ryser, Mike Robinson, Buzz Trainor, Stan Stock, Allan Young, and Sam Medford.

The "Cubs" will go out to better their record of nine wins—six losses of the previous season. Game time for JV games are 6:45.

SCHOOL BOARD TO HOLD MEET TUESDAY

Wayne Bartholomew, special consultant to the state recreation commission, will attend a meeting of the governing board of the Tahoe-Truckee Unified School District at the high school next Tuesday evening to present recommendations and results of a recreational survey in the district.

In other business on the agenda, Gordon Butterfield will seek permission to use the high school cafeteria on January 4 for use by the Squaw Valley-Lake Tahoe Ski Club for showing ski movies.

A progress report on the construction at the Kings Beach school will be heard and other routine business transacted.

Reg Smart, president of the board, will preside. Incidentally, Smart missed his first meeting of the board in more than two years at the last meeting when he was with his wife, who was hospitalized in the bay area, thus breaking a perfect record.

GIRL SCOUTS VISIT TELEPHONE PLANT

Patrol 1, Donner Troop of Girl Scouts attended the open house of the Pacific Telephone Co. on Tuesday, accompanied by Mrs. Robert Leamon. The second patrol who had previously attended chose recreation as their theme of the meeting, included singing and dancing under the leadership of Mrs. Frank Giovannoni.

Summit Highway Low Bid Offered By Southern Firm

Bid For Six Miles Of Road Exceeds $5,000,000 At Soda Springs

Alan Hart, district highway engineer has announced that a low bid of $5,052,434 has been presented by Kirst Construction Company and Alwood Corporation of North Hollywood to construct six miles of new freeway on Highway 40 from Hampshire Rocks to Soda Springs. The bid was the lowest of 11 submitted.

The new divided four-lane section will be graded and paved with portland cement concrete on new alignment. Curves on the new road will be held to a minimum radius of 1500 feet. Grades will be limited to a maximum of four percent on the east bound lanes and 5.25 per cent on the westbound lanes.

The new roadway will have three main structures, with undercrossings at Kingvale and Troy. A bridge will be constructed over the South Fork of the Yuba river and in addition, a haul road bridge will be built on a county road about six miles west of Soda Springs for use during the construction period.

The Kingvale structure will be built as a traffic interchange to provide for access to the existing U. S. 40 route. The present highway will serve as a frontage road to service existing resorts and residences when the new construction is completed.

Many Large Cuts

A major item of construction will be the excavation of approximately 1,188,000 cubic yards of material from the large cuts that are necessary in roadway construction in the high Sierra.

A maintenance station site will also be prepared and a sand bunker will be erected as minor parts of the contract.

The contract calls for completion of the work within 220 working days starting on April 1. Hart pointed out that although the contract working period starts April 1, the contractor may, at his own option, begin work before that date.

Hart said today this is the first contract offered in District III for which financing will be provided in two successive budgets. This method ,he said, enables the division of highways to undertake costly projects, that will require more than one year to complete, without tying up badly needed highway construction funds for that period. Funds for the start of the project are contained in the 1958-59 budget. This money is available for use after January 1.

No Traffic Delays

No delay to traffic on this major transcontinental route is expected, Hart said, except at the very beginning and end of the project where the old and new routes will join.

SUCCESS REPORTED IN SCOUT FUND DRIVE

A successful Girl Scout fund drive, which resulted in total collections to date of $555.96 was reported by the local Girl Scout Finance Committee.

More than 27 local women participated in the drive, which was held on November 21. Proceeds will be used as this area's share in the expenses of the Sierra Nevada Girl Scout Council. Benefits to the community will be realized almost immediately, as plans are now underway for a series of adult leadership conferences to be held in Truckee by professional Girl Scout executives. These conferences will assist in the development of well-rounded programs for local Girl Scouts.

Members of the finance committee, Zeph Rose, Roy Saarni and Lee Apple, wish to thank all those who supported the Girl Scouts by contributing to and taking part in this drive.

Editor's Father Dies

Funeral services were held in Boise, Idaho, last week for Frank Henry Barrett, 87, father of Walter M. Barrett, publisher of the Sierra Sun. The deceased was a frequent visitor here and had been ill for only a short time. Besides the local man, he is survived by another son, Frank W. Barrett of Boise and a daughter, Mrs. Donald Harris of Novato.

HIGH SCHOOL PTA MEET

The December 12 meeting of the High School P. T. A. will feature Christmas carols played by a brass choir, composed of students under the direction of Ross Price. The affair will begin at 8 p.m. in the school with Elmer Brown presiding at the business session. Refreshments will be served and all parents and friends are asked to attend.

LIONS SELL TREES

Members of the Lions Club have established their Christmas tree sales lot at Paul Capel's Chevron Station at Gateway and are offering a choice selection of fine trees. Those desiring a tree may either call at the lot or contact Roy Waters or N. F. Dolley for deliveries.

During progress of the conquest of California by the United States forces, the American flag was raised in the square at Yerba Buena (San Francisco) July 9, 1846.

RULES FOR WINTER GIVEN MOTORISTS

SACRAMENTO—Winterize your driving habits if you expect to cope with wet, slippery pavements, says the California Highway Patrol.

"Rain in the valleys and coastal regions and snow in the mountain areas call for special driving techniques if safety is to be maintained," declared Patrol Commissioner B. R. Caldwell. "A few simple rules, if followed, will help you winterize your driving."

Caldwell listed the following rules to guide drivers during the winter months.

(1) Be sure your brakes, tires, windshield wipers, and steering mechanism is in top condition.

(2) Keep all windows and the windshield clear at all times. This is particularly urgent before starting out when the windshield and other windows are covered with frost or snow. Peek-hole driving is hazardous; clear the entire windshield and all windows before driving.

(3) Slow down in wet weather. Wet pavements are slippery and require extra distance between your car and the one you are following so you can stop in time if an emergency arises.

(4) Carry extra clothing or blankets when driving into mountain areas. Check at your local patrol or division of highway office for road and weather conditions before leaving.

(5) Know how to install tire chains properly and use them when required to do so.

(6) Obey all traffic rules and regulations; drive in the right hand lane except when overtaking and passing another car or preparing to turn left. Move with the normal flow of traffic and properly signal each intention to turn or change lanes.

Still Nice

Sunday, and the weather just as nice as ever, clear and bright with no sign at the moment of any storms; it is really beautiful. It is very helpful to the builders in getting the outside work done. Was over at Squaw Valley during the past week and there is lots of activity going on working against time. It's hard to believe the Olympics are just over two years away.

Touring

Just had a card from John Flagg of Crystal Bay who has been touring Mexico and he says he is having a wonderful time. His next stop was to visit Pedro who was at Crystal Bay Club last winter. Pedro is living at Guadolajan, Mexico.

Church And V.F.W.

When members of the V.F.W. get going there is always something to show for their efforts. On Saturdays and evenings a gang of carpenters went to work fixing up the inside of the Wee Kirk O' Pines at Kings Beach. Windows and doors were completed after waiting for a year or two. Ray Plunkett invited me up to look at the work, and believe me it was almost unbelievable. The church is now in good shape, with a new room for Sunday school and a large room above for parties, which contains a big fireplace and adds to the comfort of the well furnished room, thanks to the Al Tahoe Shrine Club. Incidentals were supplied by the North Shore Hardware Co. Denny Sach did the painting and the thanks of the community and Rev. Langguth goes to Eddie Liddle, Ray Plunkett, Paul Wright Harvey Martin, Bob Moore, Gene Faulkner, Bill Dugan, and Charlie Rich. Lumber supplied by the Atkins Lumber Co. Skeet Thompson was also on the job. We say thanks a million to these generous friends.

More Buildings

L. S. Streeper of Woodvista Lodge, Kings Beach, is busy all on his lonesome building new apartments to his already beautiful lodge. By spring they will be ready to go.

New Owners

Our real estate man, Fred Schultz, tells of Gordon and Florence Brown purchasing the Rockwood Inn at Homewood. They are expected to take over at anytime.

Ahoy, There

Young Davey Ashton writes from Japan that last week was the first time he felt like he was home, when he found a few copies of the Sierra Sun on his bunk. Nearly all on board (only 3000) knows the news of Truckee and the lake. He says he hasn't seen all over the Kearsarge yet as it is a regular floating city, 897 feet long, 110,000 horsepower. They serve 500 pounds of coffee and bake 600 loaves of bread a day.

Only Man Can Cut A Tree

Constable Harry Johanson has been a regular Santa Claus, not in the manner of giving out presents, but in issuing permits for people cutting and taking out one or two trees. The new Placer County ordinance has done wonders in holding the practice of cutting illegally and transporting same, but at the same time it's been a headache for the court and officers in enforcing the ordinance, as well as some of the operators. By the way, the largest amount cut by one outfit was 1500 trees. That was in the Incline Beach area, one consolation Christmas comes but once a year.

Off To Study

Grant E. Lowry, who has been recently married, and was a bartender at Crystal Bay Club, has ordered the Sierra Sun to be sent to Palmer School of Chirapractic, Davenport, Iowa. He left last Monday morning for that city. Grant has already studied three and half years at Glendale and Los Angeles and says he will study in Davenport for 18 months and then will in all probability return to the Tahoe area and open an office here. We shall miss Grant, who is a member of the Lake Tahoe Lions Club, and the members and his many friends wish him and his wife all the success in the world. So Adios for a while and good luck always, Grant.

Sad Passing

Our sincere sympathy goes to Mrs. Larry Ludlow upon the passing of her mother. Larry and Peggy attended the funeral in Los Angeles during the past week, and then spent Thanksgiving with their daughter. They left last week and returned on Saturday. It's not like the same place without them, so we are glad they are back.

This And That

The beginning of December and the Hugh Johnsons are having their roof painted. It hardly seems possible that it is all clear. It's quite unique, too, to see a couple of gents getting a free round of golf. It's not too good to hear that Larry Sheridan has been under the weather with sore throat and a few other complications. Larry serves the community with dairy products, get well quick, Larry.

Beautiful Wedding

It was a grand wedding and reception for the Kenneth Robert Rileys, when Kenneth took for his wife Melinda Lee Olson of Los Angeles, at a ceremony at the St. Basil's Catholic Church in that city. A large gathering of friends from the lake and Pasadena attended. The happy couple will return to the lake area in early spring. Their many friends wish for them a very happy life of wedded bliss.

Purchase Home

Albert and Mrs. Cook have purchased the home of the Bill Althofs on the Truckee shortcut. It is a very nice home. Al is with the Crystal Bay Club and they have two sons, Michael and Steve. Michael is attending the Kings Beach school. Sure glad to have them in our community.

To Good Health

I hear that Helen Lewis is back in the Washoe County Hospital for some bone grafting that we hope will put her back to good health. Joby is doing fine in Hawthorne, Nev. Tom and Theresa Sutton are still there.

Change In Mail

Carol Howard, postmaster of Kings Beach, says that mail is dispatched at 2:30 p.m. daily and all mail deposited after that time is post marked with the following day's dispatch. December 10th is the final date for sending in your Placer County taxes so mail your amount in before 2:30, before or on the above date or you will be past the deadline.

School News

TRUCKEE ELEMENTARY

FIRST-SECOND: We said "goodbye" to two of our classmastes Friday. Beverly King is moving with her family to Portland, Ore., and Eddie McCarroll and family are moving to Camptonville.

Several took trips at Thanksgiving: Judy Ingalls went to Fallon, Nev.; Jack Mitchell to Portland, Ore.; Jerry Neugebauer to Roseville; Michael Kydd to Long Beach; Linda Russell to Oakland and David Carpenter to Auburn.

SECOND-THIRD: Dennis Crandall, Michelle Harris, John Clarke, Bobby Goldsmith, Keith Saunders, Dickie Daniels, David Higgins and Charles Collier have just finished one reader and are now reading "Down Our Way."

Barry Waters, Diane Daly, Susan Schuler, Phillip Risden, Henry Frates, John McGlade, John Gholson, Danny Funk have also finished theirs and are reading "Just for Fun."

Barry Waters gave an interesting account of his visit to Disneyland.

FOUR: The fourth grade "turkeys" created considerable interest, but will be finished in time for Christmas rather than Thanksgiving. Perhaps Randy Russell's 10 pairs of turkeys legs will be used after all. Doug Nelson's trip south should prove of interest to all. Steve Van Sickle's comments on the hidden corrals of Montana showed advantages of travel experience.

Mike Snow, John Besio, Courtney Lewis, Dawn Maynard, Randy Russell, and Steve Van Sickle rate special praise for much improved efforts in learning. By the end of the year Fosten Wilson will know the time of day—our most constant reminder to check the desks for neatness certainly catches a few non-conformists off guard.

FIFTH: Those pupils going out-of-town for Thanksgiving were: Gregory York, David Fordham, Lynda Banyard, Ramsay Mitchell and Dennis Stumbaugh.

In social studies, new committees have been formed.

Reports were given by Tod Bedrosian, Dennis Douglas, David Sorani and David Fordham.

SIXTH: The 5th and 6th grades have been organizing a choir under the instruction of Mrs. Roberson. We had a social studies test and on the average the class did very well. It completed our study of Central America.

Jamie Hamilton made a special report on Lucius Beebe, the scientist, who explored the ocean depths in Bathosphere.

ELEMENTARY: We had a birthday party for Margaret McLane last week. It was a very special party because on that day we said goodbye to "four-year-olds." Mrs. Victor McLane assisted with the refreshments.

We had a nice surprise last Wednesday when Byron Johnston brought beautifully decorated turkey cookies which his mother had made for us.

FIRST: Craig Swauger and Lorene McCarroll have moved away. We hope they like their new schools.

On a reading test the following students had high scores: Karen Reid, Jonathan McLane, Sandra Ferdinand, Yvonne Johnson, Terry Higgins, Patty Forrester and Monte Neugebauer.

We are learning the letters of the alphabet. Each day we make one letter. Later we will make books to take home.

TAHOE LAKE

KINDERGARTEN: Chickenpox has started in our room. First one out with it is Jeanne Jones.

Christina Keehn brought her dancing doll to school to share.

Plans for the Christmas program are now in order and practicing has started.

FIRST-SECOND: This week very good papers in color and number work were made by: Mark Calhoun, Kathy Stowe, Shelley Wilson, Cherly Bechdolt and Shirley Stark.

In the second grade we are taking a 30-word review test of all the words we have had so far this year. Tommy Hoff made 100 percent. Erik Henrikson and Gary Albin only missed two and Jimmy Caulkett missed only three.

SECOND-THIRD: Second and third grades are toiling over a skill

NEWS NOTES FROM TAHOE

By Naomi McLane
Tahoe City, Box, 711. Juniper 3-3187

Girl Scouts

The Girl Scouts are holding regular meetings this fall and winter under the leadership of Mrs. Enrico Giannini and Mrs. Richard Sprague. At present they are busy with Christmas plans. Carol practicing and pine cone gathering for Christmas decorations have been the order of the last few meetings. The girls are making a tree of cones for the Community Hall.

Sponsors Scouts

The Rotary Club of Tahoe City has reaffirmed its sponsorship of Boy Scout Troop No. 27 and Ken Marvin of Tahoe City will resume his duties as Scoutmaster as soon as a new charter is filled with the Tahoe Area Council of the Boy Scouts of America. Learning that the local Scout troop had lost its charter, the Rotary Club invited Robert Fitzpatrick, Scout executive of the council at Auburn, to attend the November 26 meeting held at Bacchi's Inn in Lake Forest. Fitzpatrick was surprised that the annual renewal papers had not been received by the club last May. After expressions of regret that the charter had been cancelled, the members voted to have it renewed Marvin volunteered to carry on as Scoutmaster and Rotary president, Warren Porter, appointed a new committee to aid Marvin in any way possible. Bill Bechdolt, Bill Conners, Marshall Ruhkala and Enrico Giannini make up the committee. Marvin suggested the possibility of a permanent meeting place in the old telephone building where there would be good space for lockers and materials. He agreed to look into the possibility of leasing the group of buildings when his employer, the Pacific Tel. and Tel. Company, moves to its new maintenance yard at Lake Forest.

Open House

The Pacific Tel. and Tel. is holding an open house at the new Tahoe City dial office today and tonight (Thursday) from 9 a.m. to 8 p.m. Conducted tours are promised for children and adults which should be most interesting.

Holiday Dinner

Mr. and Mrs. A. M. Henry had Thanksgiving dinner at their home with their son, Al, and his family, Jean, Gary and Karen. The Foxes of Squaw Valley were to have joined them but plans were changed when it was possible for Mrs. George Fox III, Malcolm's sister, to come to our mountain area. Fox is overseas in Hong Kong but a phone call from him on Thanksing afternoon let all the family be together. Mrs. George Fox, Jr., and three grandchildren, Lee, John and Holiday, also were with Malcolm, Pat and Tabor.

Breaks Ankle

Gary Henry had the bad luck to fall and break his ankle in three places on the day after Thanksgiving.

Wrecks Car

Jay Shontz was able to walk away from his car when he overturned it on the Mt. Rose road the other early morning. Except for bruises he seems to have suffered no mishap.

In San Anselmo

Mr. and Mrs. Charles Neilsen and the children, Dick and Barbara, spent the holiday with relatives in San Anselmo. Barbara had an interview with Santa at the Emporium in San Francisco. Everyone was delighted with the city's decorations for the Christmas season.

Christmas Lights

Speaking of Christmas decorations: Where are any more beautiful than our own great tree in Tahoe City? Tuesday a "chain gang" of merchants and others spent all afternoon fixing up the lights. I say "chain gang" because at one point when the bulbs were all in the men were holding up the great circle of electric cord at intervals and were shuffling slowly around the tree as others hidden above drew it up. A lot of work but how beautiful the result!

TAHOE CITY—Continued cold weather with clear skies gave predemoinated the weather picture at Tahoe during the past week. The temperature dropped to a low of 20 and the high recorded by Art Frodenberg, cooperative observer, was 49. With 295 csf of water leaving the gates Monday, the level of the lake stood at 6227.12 feet.

TRUCKEE BIBLE CHURCH

Fifteen young people enjoyed the trip to Susanville last Friday to give our group the largest representation of any church present. One hundred and five attended the rally and were exhorted and thrilled with the message given by former policeman and now evangelist, Case Ward. Several musical numbers were presented by the youth and refreshments of sandwiches, doughnuts and hot chocolate were served.

Pastor Rhoades spent the past week in the hospital with an acute case of blood poisoning. He wishes to express appreciation and thanks to the many who were so kind and considerate at this time.

We cordially invite you to attend the church services now being held in the home of Mr. and Mrs. William Englehart, Jr. According to God's Word this is a very Scriptural beginning for a new church (ICor. 16:19).

STRICTLY STRICKLAND

By Bill Strickland

Strictly by chance, we happened to find out about the Reno Ski Clubs' Sno-Ball. Found out in time to attend, however, and must say that they had a fantastic turn-out. About 800 including a good sprinkling of our Mountain people. Saw Wayne and Sandy Poulsen of Squaw Valley; George, Sylvia and Mickey Hogan, formerly of Lake Tahoe but now residents of Reno. Milt and Maggie Avila of Rainbow with Cousin Ed Coltrin and Elf Foster. Jannie Moriano of Beacon Hill, a late arrival, accompanied by Stella Rockholm, and of course, all of the Reno people who have been so much a part of the skiing program for the past several years. Jess and Milly Salmons, Gordy Wren, Warren Hart, Jerry Wetzel and Hal Codding, Club President Stan Reeves, Bill Parrish and obviously many, many more.

* * *

Sacramento will host a skiers' ball also this year. This one, I believe, has been publicized well enough that everyone from the Mountain can attend. Just in case you haven't heard though, it will be Friday evening, December 6, at auditorium. This get-together has been propelled along primarily because of the success of the dry ski school held every fall under the direction of Jim Winthers and co-sponsored by the Sacramento Bee and the ski patrol. Anyway, this will be the climax of this falls' dry ski school, so attend if you can. You'll enjoy it.

Since we do have snow on the ground and everyone is anticipating one of the best seasons ever, we'll stay on the winter sports for a few more lines—of course the big news on the Hill (ski wise, anyway) is the good fortune of the Sugar Bowl is acquiring the services of Luggi Foeger to direct their ski school after Bill Klein resigned to devote full time to his ski shop. We've known and watched Luggi's operation every since he succeeded Hannes Schroll in Yosemite way back when. You'll look a long time to find a better liked or more efficient director. Luggi will conduct a teaching clinic for instructors prior to the start of the regular season and I imagine just about every instructor from the Hill will attend.

Bud and Barbara Zorich have their ski shop here at Soda Springs completely stocked and ready to go. They've featured just about the finest selection of merchandise obtainable every year since the shop's inception, and this year is no exception. So, if you're in need of ski equipment, do like the pros do, and patronize the shops in the area that are run by skiers for skiers, of which we have many on the Hill. Carl Buek's very new and complete shop here at Soda as well as the Soda Springs Skate & Ski Shop operated by Lee and June Forster. Down at Rainbow, Milt and Maggie Avila will again operate their shop as well as their new lift operation on the Hill. Then, of course, Bill Klein's Shop in the Sugar Bowl will be operating again for about the tenth season.

The Donner Summit Community Club is having a box social, Thursday, December 5, in conjunction with a scholarship fund raising drive. Last year the Community Club raised over $200 as their portion of the contribution. In view of our sparsely settled area, that's a pretty good chunk of green. So, come on down and be a part of this very worth while undertaking.

Every once in a while, we run into someone whom we haven't seen for a long time, and they comment on how much they enjoy reading our chit-chat and tell us it gives them a chance to still know who is still around, and what's going on. Fred and Frances Rockholm for instance—stopped by the other day to say just that. They stay pretty close to their new home at Kings Beach evidently, so it is a real pleasure when we do have them as Hill visitors. The same goes for John and Florence Flagg, who used to own and operate Rainbow Tavern. See John every once in a while in the traffic line on the four-laning project. Tooling along in his new Mercedes 300 sports car. Likewise Dennis and Muriel Jones getting away from their ranch out of Grass Valley long enough to stop by Lee and June Forster's and to probably take a nostalgic look at the Soda Springs Hotel, which they operated for so many years.

* * *

Commander Bill Vail, who flew in from Georgia not too long ago, to see his many friends here on the Mountain Top. And, of course, our Mountain Top regulars who more or less hibernate during the summer (now there's a switch) but are very much in evidence in the winter months. Bill Cardwell and family, Brad Board and likewise, Walter Haug and his wife—all of the Sugar Bowl. Kirby, Lola, Kit, Jimmy and Ricky Schull of Kiski Lodge. Edvi Aro and Betty Aro—John and Eleanor Johanson, Milt and Helen Hogle, Max Williamson and his clan—all of Soda Springs. Now, if all of these people would send us some news items once in a while, maybe we could write an interesting column.

* * *

Mr. Seiwart and Mrs. Read of the Donner Trail School have inovated a newspaper put out by the youngsters. You'd be surprised how much news I can glean from that publication for this column.

* * *

Might as well report the latest on the highway construction beyond Floriston at this time also. As you probably have found out to your delight, you are no longer delayed at night. I can say that I for one was very pleased when I was told I'd no longer be working in the dark, but had been transferred to the day shift. I had to wear dark glasses the first couple of days—man that sunshine was bright. Work starts at 7 a.m. and concludes at 5 p.m

Traffic is on a 50-minute schedule in the morning and 45-minute schedule in the afternoon—lunch is between 12 and 12:30 with no delays.

A tip of our ski tips to the contractors and engineers on this job. It has probably been the most difficult section of all of the highway 40 construction work and still there were only three times all summer and fall that traffic could not proceed at the regularly schedule times. In all probability all of the roadway will be up to grade and with the gravel base before the winter shutdown.

We've just watched the end of an era from our front porch. The last east-bound passenger train pulled by one of the giant Mallet engines that were so much a part of this section of railroad for so many years.

Reminds us of the time a gentleman checked into Soda, who was hard of hearing. The only room available was in the back, so consequently, on the railroad side. When asked the next morning how he slept, he answered, "fine." When asked if the trains disturbed him, he answered, "no-o-o-o-o, they all missed me about a foot."

STATE OF CALIFORNIA
DEPARTMENT OF PUBLIC WORKS
DIVISION OF HIGHWAYS

NOTICE TO CONTRACTORS

Sealed proposals will be received at the office of the State Highway Engineer, Room 510, Public Works Building, Sacramento, California, until 2 o'clock P.M. on Wednesday, January 22, 1958, at which time they will be publicly opened and read in the Assembly Room of said building for construction on State highway in accordance with the specifications therefor, to which special reference is made as follows:

Nevada County, between 0.5 mile west of Boca and 0.8 mile east of Floriston (III-Nev-38-A,B), about 6.7 miles of four-lane divided highway together with ramps, access roads and connections to be graded and paved with portland cement concrete on cement treated subgrade, plant-mixed surfacing to be placed on cement treated base and untreated base, and six bridges to be constructed.

Bids are required for the entire work described herein.

The time limit specified in the special provisions for the completion of work contemplated herein is, in the opinion of the State Highway Engineer, insufficient to permit completion of the work by the Contractor working a normal number of hours per day or week on a single shift basis. It is expected that additional shifts will be required throughout the life of the contract to the extent deemed necessary to insure that the work will be completed within the time limit specified. Any additional costs occasioned by compliance with these provisions will be considered to be included in the prices paid for the various contract items of work and no additional compensation will be allowed therefor.

The attention of bidders is directed to the fact that the work herein proposed to be done will be financed in whole or in part with Federal funds and that therefore all of the applicable Federal statutes, rules, and regulations will apply to such work.

The attention of bidders is particularly directed to the provisions of Section 7, article (a), a subarticle (6), of the Standard Specifications regarding the use of domestic materials; to the provisions of Section 8, article (b), of the Standard Specifications regarding assignment of the contract; to the requirements of Section 7, article (h), of these special provisions regarding non-collusion among contractors; to the requirements of the special provisions regarding subcontracting; and to the prevailing wage rates predetermined by the Secretary of Labor as provided in Sections 5 and 7 of the special provisions.

Minimum wage rates for this project have been predetermined by the Secretary of Labor and are set forth in the special provisions.

In accordance with the provisions of Section 1770 of the Labor Code of the State of California, the Department of Public Works has ascertained the general prevailing rate of wages applicable to the work to be done to be as follows:

The minimum wage paid to all skilled labor, for which rates are not shown above, shall be not less than $2.705 per hour.

The minimum wage paid to all intermediate labor, for which rates are not shown above, shall be not less than $2.505 per hour.

The minimum wage paid to all unskilled labor, for which rates are not shown above, shall be not less than $2.505 per hour.

Overtime—not less than one and one-half (1½) times the above rates.

Sundays and holidays—not less than one and one-half (1½) times the above rates. The holidays upon which such rates shall be paid shall be all holidays recognized in the collective bargaining agreement applicable to the particular craft, classification or type of workmen employed on the project.

In the event there is a difference between the minimum wage rates as predetermined by the Secretary of Labor and the prevailing wage rates as determined by the Department of Public Works for similar classifications of labor, the Contractor and his subcontractors shall pay not less than the wage rate which is the higher of the two.

Plans, specifications, and standard proposal form to be used for bidding on this project can only be obtained at the office of the State Highway Engineer, Public Works Building, Sacramento, California.

Plans and specifications may be seen at the office of the State Highway Engineer at Sacramento, at the offices of the District Engineers at Los Angeles and San Francisco, at the office of the District Engineer of the district in which the work is situated, and at the office of the Associated General Contractors in San Francisco.

No bid will be considered unless it is made on a blank form furnished by the State Highway Engineer and is made in accordance with the provisions of the Proposal Requirements and Conditions set forth under Section 2 of the Standard Specifications. Each bidder must be licensed and also prequalified as required by law. (See said Proposal Requirements and Conditions).

The Department of Public Works reserves the right to reject any or all bids.

NOTICE OF HEARING ON and PASSAGE OF RESOLUTION FOR EXCLUSION OF CERTAIN LANDS FROM DONNER SUMMIT PUBLIC UTILITY DISTRICT

NOTICE IS HEREBY GIVEN, that the Board of Directors of Donner Summit Public Utility District on the 20th day of November, 1957, passed and adopted Resolution No. 57-2, providing for the exclusion of certain lands from said District, as described in said Resolution to which reference is hereby made for greater particularity; AND

NOTICE IS FURTHER GIVEN, that all persons interested are to appear and show cause, if any they have, why said lands should not be excluded, at a hearing before this Board on the 18th day of December, 1957, at the hour of 8:00 o'clock P.M., of said day, at Donner Summit Lodge, Soda Springs, Nevada County California.

DATED this 20th day of November, 1957.

DONNER SUMMIT PUBLIC UTILITY DISTRICT
By MARIE STRICKLAND,
N28-D5 Secretary.

RESOLUTION NO. 57-2
of
DONNER SUMMIT PUBLIC UTILITY DISTRICT PROVIDING FOR THE EXCLUSION OF CERTAIN LANDS AND FOR NOTICE OF HEARING THEREON.

WHEREAS Section 17531 and following of the Public Utilities Code of the State of California establishes procedure for the exclusion of lands from a public utility district; and

WHEREAS said Donner Summit Public Utility District is a district duly organized and existing under the Public Utilities Code of the State of California, and desire and intend to undertake proceedings for the exclusion of certain lands from said District;

NOW THEREFORE, BE IT RESOLVED BY THE BOARD OF DIRECTORS thereof, as follows:

1. That there are certain lands situated in the Counties of Placer or Nevada, State of California, as hereinafter described, exclusion of which is for the best interests of said District;

2. That the lands so to be excluded are situated in the Counties of Placer and Nevada, State of California, and are more particularly described as follows:

All those certain lots, pieces, parcels and portions of land now situated in the Counties of Placer and Nevada, State of California which were formerly a part of Donner Summit Public Utility District, but which now lie outside the following described parcel:
Commencing at the center of Section 22, Township 17 North, Range 14 East, MDB&M, the point of beginning, and running thence Northerly along the North-South center line of said Section 22, one-half mile more or less to the North line of said Section 22, thence Easterly along the North line of Sections 22 and 23, one and one-half miles more or less to the point of intersection of the North lines of said Sections 22 and 23, with the West bank of Upper Castle Creek, situated in the NE¼ of Section 23, thence Southwesterly along the West bank of said Upper Creek to the point of intersection of said West bank of Upper Castle Creek with the Northerly shore of Lake Van Norden, situated partially in the South half of said Section 23, thence Westerly along the North shore of said Lake Van Norden to the point of intersection of said North shore with the North-South center line of said Section 23, thence Southerly along said North-South centerline of Section 23 to the point of intersection thereof with the East-West centerline of the South half of Sections 22 and 23, thence Westerly along said East-West centerline of the South half of Sections 22 and 23 one mile more or less to the point of intersection with the North-South centerline of said Section 22, thence Northerly along said North-South centerline of said Section 22, one-fourth mile more or less to the center of said Section 22, also the point of beginning; all Township 17 North, Range 14 East, MDB&M.

(Being the exterior boundaries of Donner Summit Public Utility District as described in Annexation Order 57-1, recorded August 19, 1957 in Volume 235, Official Records of Nevada County, pages 516 and following thereof).

3. That all interested persons shall appear and show cause before this Board on the 18th day of December, 1957 at the hour of 8:00 o'clock P.M., at Donner Summit Lodge, Soda Springs, California, being the time and place hereby set for hearing, then and there to show cause why said lands should not be excluded.

4. That the Secretary hereof shall and is hereby directed to give notice of the passage of this Resolution and of the time and place of hearing thereon for the time and in the mannor required by law; said Notice to be in substantial compliance with the form attached hereto.

PASSED AND ADOPTED at a special meeting of the Board of Directors this 20th day of November, 1957, by the following vote:

Ayes: Pratt, Peyer and Williamson.
Noes: None.
Absent: None.

LOCALE IS CHANGED FOR POLITICAL MEET

GRASS VALLEY—The Senator Knowland dinner is to be held December 9, 7:30 p.m. at the Nevada County fairgrounds instead of at the Nevada County Armory as previously announced.

This change of location was necessitated due to the fact that there were administrative changes made beyond the control of the local military officials. The fairgrounds are the only suitable facilities adequate to meet the expected number of local and out of county guests.

A reception will be held at the Gold Nugget Inn, 6 to 7 p.m.

Tickets may be obtained from Hal Welch, Truckee member of the Republican committee.

ROSE FAMILIES HOLD HOLIDAY REUNION

Mr. and Mrs. Dave Rose of Gateway Park entertained at a dual occasion on Thanksgiving Day when 40 members of the Rose family, residing in California were present for a re-union.

Those present included Messrs. and Mesdames Zeph Rose of Truckee; Charles H. Rose of Quincy; Orval E. Sannar of North Sacramento; James H. Rose and Delmar Scott of Oroville and the children of the couples.

TNT TIDINGS

by NANCY WATTS

Monday was a momentous day for 17 girls at TNT. Early that morning, the list of the team memebrs chosen for Wolverettes was posted. When the crowd around the bulletin board had thinned away, it was observed that the following girls had made the team: forwards, Sharyn Wright, Virginia Fudge, Sheila Fanger, Luisa Sciutto, Janice Gray, Judy Hastain, Steffie Firpo, Lydia Craig, Varien Frey, Judy Fanger; guards, Dorothea Frey, Judy Vaughan, Janice Notley, Joann Wray, Bernice Plemons, Sharon Bechdolt, Carol Bailey. At this time, the first Wolverette game scheduled will be played on December 20, with Yerington, here. Practice started this week. Players were chosen on the basis of skill, interest, attitude, and sportsmanship.

A rally will be held Friday in order to promote spirit for the two basketball games the following weekend. Played with South Tahoe and Loyalton, they will be our first games of the season. Here's hoping that these will mark the beginning of a winning season for Tahoe-Truckee.

The California Scholarship Federation held a meeting on Tuesday, November 26, in order to discuss the collection of the names and addresses of alumni of TNT. Help will be appreciated concerning information as to the present names and residences of past graduates.

COMMUNITY METHODIST CHURCH NEWS

A rewarding and intensive choir rehearsal was held Friday evening of the joint choirs of the Kings Beach and Truckee Community Methodist Churches.

Unfortunately Rev. A. T. Hanson was ill and could not preach at the 11 o'clock service this past Sunday. But next Sunday, as previously announced the church service will be held at 11 a.m. and the church school at 9:45 a.m.

This Thursday, December 5, choir rehearsal will be held in the church at 7:30 p.m.

On Friday the Truckee choir will journey to Kings Beach to rehearse the Christmas Cantata. Those interested in transportation will meet at the church at 7:30.

FIFTH-SIXTH: At the regular meeting of the Parent-Teachers Association, the upper grade choir sang several selections which included the Thanksgiving Hymn, "Bill Grogin's Goat," "The Dove" and "A Russian Round."

Karen Henry, Kim Turner, Dotty Ronan, Joe Hoxsie, and George Day were recently ill for several days.

George Day furnished a Christmas tree for the classroom.

The annual Christmas program will be held at the Tahoe Lake school on December 19 in the auditorium at 8 p.m.

DR. SKLAR SPEAKS AT ROTARY MEETING

KINGS BEACH—President Fred Baker of the Rotary Club of Brockway presided at the regular meeting held Monday night at the Crystal Bay Club and after the session of routine business, turned the meeting over to Program Chairman Max Springer. Max presented our own member, Dr. Allen Sklar, as speaker of the evening, taking for his subject, "Air Rescue Service."

Dr. Sklar, with the rank of captain, was stationed in Alaska during the war, having been assigned to the Air Rescue Service. This assignment dealt mainly with the rescue of survivors from planes which had crashed in the ice and snow on the mountains of Alaska. He told of how they had to jump with full equipment from the rescue planes and of other phases of the service of which we cannot write.

He also showed slides of the terrain to which they were assigned. Little was known or heard of this service during the war, therefore it was most interesting an enlightening to all present.

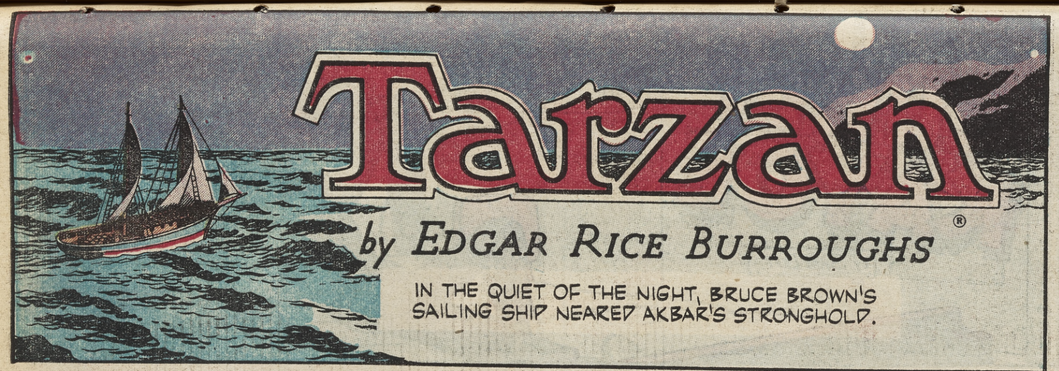
Tarzan®

by EDGAR RICE BURROUGHS



IN THE QUIET OF THE NIGHT, BRUCE BROWN'S SAILING SHIP NEARED AKBAR'S STRONGHOLD.
"IT IS TIME," SAID TARZAN SOLEMNLY. "SEE YOU AT THE FORTRESS." ABRUPTLY, THE ASSIGNED MEN CLIMBED INTO THEIR BARRELS.
THE LIDS WERE SEALED, AND THE BARRELS WERE SLOWLY LOWERED INTO THE WATER.
MINUTES LATER, THE SEAS WERE DOTTED WITH INCONSPICUOUS, BOBBING CASKS--YET EACH ONE CONTAINED A RESOLUTE WARRIOR!
SOON THE FIRST BARREL REACHED THE SHORE, NEAR AN ARAB SENTRY.
QUIETLY, DETERMINEDLY, BRUCE BROWN EMERGED FROM HIS HIDING PLACE--
